

# 5 Step Guide to Buying Mussels & Cooking at Home!

**Look:** Are the mussels closed? If yes, proceed to next step.

**Smell:** Do they smell like fresh, salt air? If yes, bring them home and refrigerate asap.

**Home Care:** Rinse and drain in colander with fresh, cold water. This allows the mussels to take a drink! (Yes, they get thirsty too!)

**Store:** In fridge with a damp dish cloth on top.

**Enjoy:** Try out your favorite recipe within 3-5 days of purchase for optimal flavor.
